

NORTHBOROUGH POLICE DEPARTMENT

SPEED MONITORING TRAILER REQUEST

A speed monitoring trailer is a portable device that displays the driver's speed as well as the speed limit. The intent is to alert drivers of their speed compared to the speed limit and thereby improve compliance. The Town of Northborough has two trailers that are available for placement by the Northborough Police Department at the request of local residents. The Town of Northborough receives many requests, so placement will occur in the order requests are received and may take 1 to 2 months, or more. If you would like to request a Speed Monitoring Trailer to be placed on your street, please feel out the following form.

Specify location for speed monitoring trailer:				
Specify for which direction of travel:	<input type="checkbox"/> Northbound	<input type="checkbox"/> Southbound	<input type="checkbox"/> Eastbound	<input type="checkbox"/> Westbound
