# DEPARTMENT NEWS

JULY 2025

This month the NPD hosted our annual **Youth Academy**, offering local students a hands-on introduction to law enforcement. Over five days, cadets participated in classroom lessons, physical training, and interactive activities including crime scene investigation, defensive tactics, handcuffing and firearms simulations.

Special highlights included a visit from the MSP Air Wing and a team-building dodgeball game. Cadets also learned about mental health, use of force, and leadership skills, rounding out a week focused on growth, respect, and public service.

The program concluded with a graduation ceremony, where cadets were recognized for their hard work and commitment. We're proud to support the next generation of community leaders through this meaningful initiative.

This academy was run by Detective Stephen Sullivan and Officer Ryan Clark, with the assistance of many others, including Officers Spencer Fuller, Melissa Lonergan, Josh Ferreira, James Anderson, Corrin Marchetta and Hunter Luby, as well as interns Sean Griffin and Mia Nicosia.
